

## Practice Squad Bidding Workaround

Please refer to Article XII. Practice Squad Poaching for more detailed information on our rules for practice squad poaching. Below are the steps to take on MFL when submitting a bid for a practice squad player on another team.

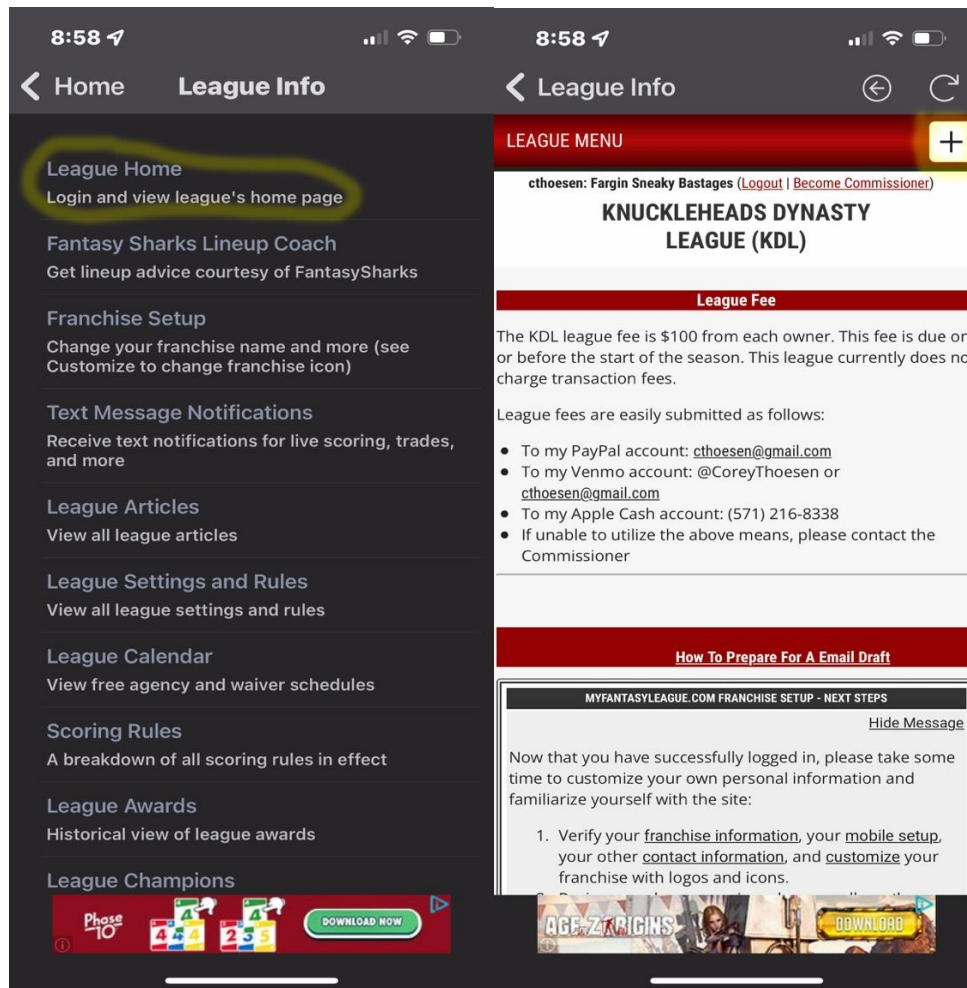

To bid on a practice squad player from the MFL phone app:

Click on League Info from the Home page:

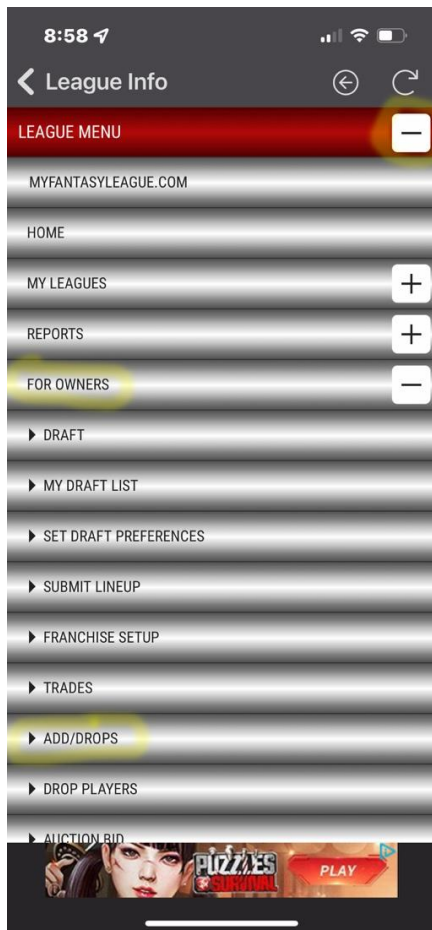

Click on League Home:

Then Click on the + button at the top right:

Click on For Owners and then Add/Drops:

Then click the Submit Request button to add that player to your list of blind bid waiver claims. Once waivers are processed, the commissioner will review the waivers report and summarize the poaching requests on the message board. The owner whose player is being poached will have the option to match the high bid and retain the player. In either case, the player must be promoted to the active roster of whichever team wins the player.
